

## ***After School Mentoring Program***

*Let no one look down on you because of your youth, but an example and set a pattern for the believers in speech, in conduct, in love, in faith, and in moral purity. (1Timothy 4:12)*

### **Objective of the Program**

Our After School Mentoring Program is designed as a grade recovery program. Any student in extra-curricular activity with a failing grade or cumulative GPA below 2.0 in all their current classes, will be required to attend on a weekly basis, for the entire week, except Wednesday. *\*Any RLCA student is able to attend the After School Mentoring Program at any time to improve his/her grades.\**

Mentoring is set up to assist with eliminating failures, helping students get back on track, and maintain academic success. Students will have the opportunity to improve their grades by completing appropriate missing assignments, completing additional assignments to review classroom material, and studying for assessments.

### **Rules and Procedures**

**\*\*Students should have already visited their locker and be seated in room 257 by 3:10 pm.\*\***

**\*\*Students must stay from 3:10-4:00 pm for the week assigned to mentoring.\*\***

1. Log on to Google Classroom for Mr. Danapilis to review grades/assignments.
2. Be prepared with any missing assignments that have been requested by the teacher. Mr. Danapilis is there to support you in recovering your grade.
3. Students may turn in work to Mr. Danapilis on site for that day. The work will then be distributed to the appropriate teacher for grading. If a student does not turn in work, they are expected to give it to the appropriate teacher the next day. Any test or quiz taken in After School Mentoring **MUST** be turned in to Mr. Danapilis and cannot be taken outside the classroom.

### **Attendance in After School Mentoring**

Attendance will be taken each day. If a student does not show up, consequences will be assigned by Administration and their coach/director.
