

## ACADEMY LUNCHES

Dear Raptor Parents,

We will be using the same Real Life Dining app ordering system for RLCA this year. If you have any questions or concerns please email me at [stacie.alberts@real.life](mailto:stacie.alberts@real.life), I will be more than happy to help and get you the fastest response possible.

I will also be posting directions for both Apple phones and Android phones. If by chance you do not have a smartphone you can always go to the website and order there, I will post that link as well.

We will also have small fry for \$1.00, large fry for \$2.00 and Famous Amos Chocolate Chip cookies for \$1.00, Rice crispy treats and fruit snacks for \$1.00. Additional drinks will be Sunny D, Arnold Palmer Tea and Bottled water for \$1.00. We can take cash and credit.

We will post 1 week of visible lunches on the app by 10:00am every Friday, for you to order. The order cut off time will be 8:00am the morning of. If you need to cancel your child's lunch on the day of or another, please go to your account and cancel or contact me via email, [stacie.alberts@real.life](mailto:stacie.alberts@real.life), and I can take care of it for you.

If you choose to have your child pay at the window for his/her lunch, the cost will still be \$6.00. However, to make sure we have enough for everyone we encourage you to pre-order which helps us get lunches out in a timely manner to allow the kids to have enough time to eat their lunch. As always, we are here to serve, so please reach out anytime if you have any questions or concerns.

### \*\*\* HOW TO DOWNLOAD APP \*\*\*

Apple and Android phones please go to your app store Search for MunchEm, Inc. (please DO NOT download the MunchEm, Inc app), when you find MunchEm, Inc. please scroll down until you find "REAL LIFE DINING" app. It will have our Real Life logo on it. If you have an android phone you will need to scroll through several apps before you get to our Real Life app.

Once you have downloaded the app, open the app, there are 3 white bars on the top left of the app. PLEASE CREATE AN ACCOUNT!!!! THIS IS VERY IMPORTANT!!!!

After your account has been created. You may go to the "HOME" page of the app. At the bottom is an order button you can click, then click "academy lunches" on the top left of the screen. This will take you to the 1 week menu we have posted.

Now you are ready to start ordering lunches for your children.

Pick what day you would like to order, It will show you at the top what sides are included in that day's lunch. Your child can let us know at the window if they want Chocolate Milk, White Milk or a juice box.

Once you have selected the day, there is a "select options". Here you can add a water bottle to your child's lunch and/or an additional entree. Under the "select options", YOU WILL NEED TO SELECT THE GRADE YOUR CHILD IS IN. They are broken down into lunch periods. PLEASE DON'T FORGET TO SELECT THIS... The app will not allow you to complete your transaction without this.

Underneath "select lunch period", there is a box with item instructions. THIS IS WHERE YOUR CHILD'S NAME NEEDS TO GO!!! This allows us to know this specific order is for your child.

Now you are able to hit the "ADD TO MY ORDER" button. This will put it in your cart. If you have more than one child you want to order lunch for, you will need to do this for each order for each child. This will ensure we have the correct order for your child during the correct lunch period.

Once you have ordered all of the lunches you need. Please click on the cart on the top right corner of the app to finish your transaction. Please know there is a \$0.75 convenience fee added to your total. So I do encourage you to order multiple days so you don't have to pay the convenience fee each time.

We look forward to serving your Raptor this year!!!

Sincerely, your Lunch Director

Stacie Alberts
